

Captured Moments and Dynamic Sports Photography have teamed up to provide an amazing new product to Cheer Evolution Customers:

A multi-platform DVD including all photos and video from **both days**.

Use your computer to access 250+ high resolution photos as well as a home theatre quality 720p video file and a smartphone/web ready video file.
Or simply drop it into any DVD player and watch it on your television.

This innovative product is an amazing value at only \$25 per athlete!
